

ELBOW LANE DAY CAMP

FRIDAY FLYER WEEK 4

Can you believe it? Today marks the end of our first four weeks! Boy, the first half of the season just flew by - it is proof that "time flies when you're having fun", and Week #4 was no exception! This week started hot, and ended hotter, but our Jr Camp parents soldiered through for a great Visitation Day! On Monday, we kicked-off our Hockey/Figure Skating Week (it was a real bonus having a cool indoor activity when it was so hot outside). Our skaters really improved their skills over the week--I was quite impressed! (Apologies in advance if your children come home asking for more lessons--skating does get into your blood.) Tuesday, the Jr Camp Visiting Day, was a tremendous success - thank you to all who attended.....Our much anticipated "Water Fun Day" for Inters and Srs was held today - did we plan very well, 95 degree air temp for Water Day! It was highlighted by a the Wild Wave Waterslide, plus water relays, three giant obstacle courses in the pool, Water Tag, and the camp favorite, Foam Pit - such a wonderful day of water activity. See our photo album for pictures and video of today's events. Follow this link for a Water Day video, bit.ly/elbowlane. Special Events.

This afternoon, Majors saw the "Puppets Pizzaz", then went bowling at Thunderbird Lanes, Minors had water activities, then watched the "Puppets Pizzaz" show.....On Thursday this week, the 7th graders left for a trip to Hershey Park, staying overnight in Allentown, then spending today at Dorney Park. CITs left first thing this morning to join them at Dorney. I'm guessing that most everyone will be in the Water Park today! Pick up is 6:15 pm. Please don't forget to check our Google Drive and Facebook for photos and videos of the day!

BOO HOO - we are so sad to say goodbye to those of you who will be leaving us today! All the Staff wish you a continued fun summer and a healthy, happy school year -- SEE YOU NEXT YEAR! (There are still a few spots remaining for extensions if you change your mind!)

.....Most of you will be staying into the second session, and you can bet that there are more great activities and special events coming up! With our Carnival next week, Music Videos, Overnight/Extended Day, and Olympics plus much, much more to come, we are ready for MORE FUN in the second four weeks! Further details will follow as we get closer to future special events....**SPECIAL NOTE FOR 12-YR OLDS AND UP** - Mike Guckin of *Underwater World* will be offering a **Jr. Scuba Certification Course** during Minicamp #2 (August 21--25). Call the office for details.

As usual, a discount will be offered for next summer's camp season if you enroll by August 18th, our last day of camp. Specifics will be enclosed in the 2018 enrollment information. The early season enrollment discount is a limited time offer and **WILL NOT BE EXTENDED**.
