

# ELBOW LANE DAY CAMP

## FRIDAY FLYER -- WEEK 5

Although Tuesday was a wash, Thursday turned out to be a great day for our Inter, Sr and Upper Visiting Day – warm and humid but dry! Our campers proudly displayed their skills in Sports, Crafts and in the Pool. Thank you for attending, and for your complimentary comments - it was a wonderful day.....This week our “Specials” were: Martial Arts for Inters - thanks to the staff from Action Karate in New Britain ([www.actionkarate.net](http://www.actionkarate.net)) who kept our kids moving and having fun the whole week, and Ninja Warrior for 6<sup>th</sup> grade – former camper and staff member, Dan and his crew at Gravity Forge Gym, challenged us to our limits as we tested our Ninja Warrior skills! We also offered first year Drone, Photo and Dutch Blitz clinics this week – it was busy! Today was Carnival Day, one of the most anticipated special events of the season. The Elbow Lane “bubble” kept us sunny, warm and dry throughout! From the “Midway” to the dunk tank to the “Tubs of Fun” ride, moon bounce, the Pipe Climb and Dragonfly slides, everyone had a super time. Cotton candy, popcorn and snow cones filled our tummies and we really enjoyed “Chippy” the clown and her balloon characters. Pony rides were fun and we showed our great strength by ringing the “high striker” bell. The game booths kept us busy winning tickets that were “cashed in” for some cool prizes.

It was bright and sunny today, so following a busy afternoon, we all jumped in the pool to cool down – it was one of the best all-around day of the summer! After you finish reading this, type this link into your browser for photos and videos – “[bit.ly/elbowlane](http://bit.ly/elbowlane)” for our Google Drive, then choose the Special Events folder. Also, check out our Facebook postings for today’s Carnival Video and for more pictures, then “like” and “share”!

The river was running fast for today’s Upper Camp Rafting trip on the Delaware – at great time was had by all!
