

ELBOW LANE DAY CAMP

FRIDAY FLYER -- WEEK 5

Although this week was largely cloudy, humid and showery, it was not a wash-out. Actually, we did not have to utilize our Rainy Day Schedule any day, but we did need our Muddy Day Schedule! Our Specialists used their creative skills to move field activities onto hard surfaces for a full week of regular program, despite the wet grounds! We even made it through Inter, Sr, Upper Visiting Day without a rain shower. Our campers proudly displayed their skills in Sports, Crafts and in the Pool. Thank you for attending, and for your complimentary comments - it was a wonderful morning.....This week our "Specials" were: Martial Arts—Cardio Kickboxing for Inters - thanks to the staff from CKO Kickboxing in Doylestown who kept our kids moving and having fun the whole week, Sr campers will have their Kickboxing Special next week..... Today was Carnival Day, one of the most anticipated special events of the season. The Elbow Lane "bubble" kept us sunny, warm and dry throughout! From the "Midway" to the dunk tank to the "Tubs of Fun" ride, moon bounce, the Vertical Rush slide and Demolition Zone obstacle course, everyone had a super time. Cotton candy, popcorn and snow cones filled our tummies and we really enjoyed "Chippy" the clown and her balloon characters. Pony rides for Jrs were fun and we showed our great strength by ringing the "high striker" bell. The game booths kept us busy winning tickets that we "cashed in" for some cool prizes. Finally, the Game Truck was cool and fun!

It was bright and sunny today, so following a busy afternoon, we jumped in the pool to cool down – it was one of the best all-around day of the summer! After you finish reading this, type this link into your browser for photos and videos – "bit.ly/elbowlane" for our Google Drive, then choose the Special Events folder. Also, check out our Facebook postings for today's Carnival Video and for more pictures, then "like" and "share"!

The Upper Camp Tubing Trip was cancelled today. Point Pleasant Tubing has been closed all week and again today as the river has been unsafe for water sports. Upper Campers went to Frank Theatre to see "Teen Titans Go" movie, instead.
